TO WHOM IT MAY CONCERN

My association with Brett O'Brien began in 1990 when I was appointed Principal of the Lorne School, Brett was then in Year 8. Over this time he assumed several positions of student leadership and he impressed me with his personal manner and determination.

Brett has been both a Form Representative on the Junior School Council and the House Captain of Osprey House, positions he carried out with due responsibility and diligence. He was also involved in the school's dramatic productions assisting with sound and camera work.

Brett completed his Victorian Certificate of Education studies in 1995, after a significant disruption due to a car accident. He satisfactorily completed the following units:

English 3 and 4

Further Mathematics 3 and 4

Materials and Technology 3 and 4

Physical Education 3 and 4

Technological Design and Development 3 and 4

Brett displayed enormous courage and self-discipline to return to school in 1995 to complete his studies so sadly interrupted in 1994.

Brett completed work experience with the following firms during his middle school years.

The Cumberland Resort - Lorne

The State Electricity Commission

Don Nicholson's Sports Store - Colac

The South Barwon Swimming Centre - Geelong

All of his work experience reports show that Brett was reliable, punctual and capable of undertaking independent work.

I have no hesitation in recommending Brett O'Brien to any employer. He is a responsible, honest and straight forward person who has a very caring nature. I am happy to provide further details related to specific job applications.

Yours sincerely

Gary Allen
